

Triple Crown Complete Formula

A beet pulp-based complete textured feed for mature performance horses.

Horses naturally eat fiber. But for years, grains (corn, barley and oats) have been the standard for horse feed—even though research has proven that the high-soluble carbohydrates in grain-based feeds increase the potential for colic, laminitis, hyperactivity, ulcers and cribbing. With its beet pulp based fiber content Triple Crown® Complete provides 12% protein, 12% fat and all the calories, vitamins and minerals of a grain-based feed—but with half of the potentially harmful soluble carbohydrates. Triple Crown® Complete has the versatility to be fed in any hay or pasture situation, when hay and pasture are plentiful or to help when they are short.

Guaranteed Analysis

Net Wt. 50 LBS (22.7kg)

Crude Protein (min.)	12.00%	Copper (min.)	50 ppm
Lysine (min.)	0.60%	Vitamin A (min.)	5,500 IU/lb
Methionine (min.)	0.20%	Vitamin D (min.)	750 IU/lb
Threonine (min.)	0.40%	Vitamin E (min.)	150 IU/lb
Crude Fat (min.)	12.00%	Ascorbic Acid (min.)	40 mg/lb
Crude Fiber (max.)	15.00%	Biotin (min.)	0.25 mg/lb
Calcium (min.)	0.75%	Lactobacillus Acidophilus	636 million CFU/lb
Calcium (max.)	1.25%	Fermentation Product (min.)	
Phosphorus (min.)	0.45%	Saccharomyces Cerevisiae	1271 million CFU/lb
Magnesium (min.)	0.40%	Yeast Culture (min.)	
Iron (min.)	250 ppm	Cellulase (Trichoderma Longibrachiatum	125 CMC-ase Units/lb
Potassium (min.)	0.90%	Fermentation Extract) (min.)	
Selenium (min.)	0.50 ppm	Protease (Bacillus Subtilis	0.4 Northrup Units/lb
Zinc (min.)	160 ppm	Fermentation Extract) (min.)	
Manganese (min.)	100 ppm		

Ingredients

Shredded Beet Pulp, Cane Molasses, Whole Oats, Soybean Oil, Dehulled Soybean Meal, Wheat Middlings, Dehydrated Alfalfa Meal, Soybean Hulls, Distillers Dried Grains, Ground Limestone, Monocalcium Phosphate, Dicalcium Phosphate, Salt, Magnesium Oxide, Yeast Culture, Hydrolyzed Yeast, Hydrated Sodium Calcium Aluminosilicate, Dried Lactobacillus Acidophilus Fermentation Product, Dried Enterococcus Faecium Fermentation Product, Anise Seed, Fenugreek Seed, Dried Trichoderma Longibrachiatum Fermentation Extract, Dried Bacillus Subtilis Fermentation Extract, Zinc Amino Acid Complex, Manganese Amino Acid Complex, Kelp Meal, Copper Amino Acid Complex, Lecithin, Iron Amino Acid Complex, Magnesium Proteinates, Selenium Yeast, Stabilized Rice Bran, Calcium Carbonate, Vitamin E Supplement, Flaxseed, Ascorbic Acid (Source of Vitamin C), Niacin Supplement, Biotin, Vitamin A Supplement, Thiamine Mononitrate, Beta Carotene, Calcium Pantothenate, Riboflavin Supplement, Pyridoxine Hydrochloride, Vitamin B₁₂ Supplement, Vitamin D₃ Supplement, Choline Chloride, Menadione Sodium Bisulfite Complex (Source of Vitamin K Activity), Folic Acid, Sodium Bicarbonate, Sodium Sesquicarbonate, Ferrous Sulfate, Zinc Sulfate, Manganese Sulfate, Copper Sulfate, Cobalt Sulfate, Ethylenediamine Dihydroiodide, Brewers Dried Yeast, L-Lysine, Lignin Sulfonate, Monosodium Phosphate, DL-methionine, DL-methionine Hydroxy Analog, (Propionic Acid, Sodium Benzoate, Potassium Sorbate (Preservatives)). Free from Restricted Ruminant Protein Products per Title 21, CFR 589.2000/2001)

Feeding Directions

Triple Crown Complete is designed for mature horses. If feeding as a grain concentrate with hay, feed a minimum of 5 to 15 pounds per day for desired body condition. If replacing all the hay in the diet, feed 1% to 1.5% of body weight daily. Triple Crown Complete can be soaked with warm water for older horses with poor teeth, with respiratory problems, or for horses prone to choking.
